

# 8<sup>th</sup> CLEPA AFTERMARKET CONFERENCE 29-30 March 2017

*The meeting place for Automotive Aftermarket Suppliers in Europe*

Venue: Crowne Plaza Hotel Airport, Brussels

The Aftermarket Department at CLEPA is committed to offer interesting insights from high level speakers on the state of the automotive aftermarket economic environment, technology and legislation.

The conference offers an exclusive **networking platform** for participants from Parts Manufacturers, Trade, Vehicle Manufacturers as well as National Associations, European Institutions and other International Organisations.

In the coming weeks you will receive a formal invitation, as well as the preliminary agenda for the event.

The 8<sup>th</sup> edition of the Aftermarket Conference will be divided into three main sessions:

#### Technology Session

- Future Diagnostics

#### Market Session

- Aftermarket 2030

#### Digital Transformation Session

- Access to data

Follow the debate on:
